Letter of Recommendation

3 November, 2024

To Whom It May Concern:

I am pleased to recommend Joey Fischer, who served as an intern at HiiGuru from September 2023 to December 2023. During his internship, Joey contributed to a range of tasks, including market research, data analysis, SEO, AI automations, and more. His ability to manage multiple, diverse responsibilities with enthusiasm and efficiency was impressive.

Joey is proactive and consistently eager to learn and explore new opportunities. He has a highly analytical mind and quickly grasps the bigger picture on projects. Joey also demonstrates strong autonomy, and I could always trust the quality of his work. He was truly a pleasure to manage.

Joey has a bright future ahead of him, and I am confident in his potential to make a positive impact at any organisation he joins. His initiative and dedication set him apart as an exceptional candidate, and he would be a valuable asset to any team.

Sincerely,

Dara Chen
